TYLER, TEXAS

PRODUCING DIVIDEND PAYING COMPANY BRINGS IN WELL NO. 24 LOCATED IN THE FAMOUS WAYSIDE POOL, MONTGOMERY COUNTY, WANSAS.

Arrangements are being completed to start Well No. 25 and Well No. 26 at once. The management are negotiating for more valuable oil land in Texas. The Capitol Petro-leum Company has enjoyed excellent progress since its incorporation, July 18, 1917. It has paid two cash dividends since Oct. 15, 1918, the last dividend being a 10 per cent; and promises to pay not less than a 10 per cent dividend on April 15th.

Dividends are paid four times a year. Capitol Petroleum has 1,000 acres in Mexico, amidst the largest producing wells in the world, it is the interion of this company to de-velop the Mexico property at once. Men are on the ground making survey, building roads and establishing first camp for Well No. 1.

This work is in charge of H. B. Guthrie, Supt., of the Tamipco properties. Oil experts claim these properties are estimated to be worth one million dollars, before the drill touch-We confidently believe stock will be worth anywhere from \$1.00 to \$10.00 per share in years to come, and we urge our friends to get all they possibly can now.

Send in your reservations now prices advance March 1st. Literature maps of properties and ban't references, prices of shares mailed free. AGENTS WANTED
